Why support Steamboat's festival of authors?

Literary Sojourn is a nonprofit festival that has delivered 150+ world-class authors to the Yampa Valley since our first gathering in fall 1993. The annual event is organized and run by volunteers under the auspices of the Bud Werner Memorial Library, the public library in Steamboat Springs, Colorado. Ticket sales cover a small portion of the cost of producing this literary event. Generous donations from our supporters meet the balance of the festival's production each year.

Literary Sojourn maintains an admirable reputation among authors, publishers and a nationwide fan base of voracious readers. It continues to remain our mission to keep Literary Sojourn as affordable and accessible as possible, without compromise for high literary standards that have built and sustained a beloved festival.

We know ours is simply one of the best literary festivals in the world because our featured authors repeatedly tell us so. **Thank you for your generosity and unwavering passion for Literary Sojourn!**

Contributions for the Fall 2027 event must be received by May 15, 2027 for premier ticket benefits. For federal tax purposes, charitable deductions are limited to your financial donation less the value of any goods or services provided by Literary Sojourn, including tickets and meals.
